Dear Mr. Harris and the Team String Family,

On behalf of Hillcrest High School and our football program, I want to extend my deepest gratitude to you and your entire organization for the unwavering support, mentorship, and commitment you've shown to our young men and women since September 2024.

Your presence has made a lasting impact—not just on the field, but in the lives of the students you've poured into. The wisdom, discipline, and encouragement that Team String brings into every interaction has helped mold these young athletes into not only better players, but better people. Your belief in their potential and your dedication to their growth has been both inspiring and transformative.

As we look to the future, we are excited about the continued growth of our relationship. It is our hope that together, we can build on the strong foundation we've already established and expand our efforts to impact even more students within our school and the surrounding community. By continuing to work hand in hand, we can create opportunities, provide guidance, and help shape the leaders of tomorrow.

It takes a special kind of leadership to uplift a community, and what you've done for Hillcrest is nothing short of extraordinary. From day one, your mentorship has been a beacon of strength, character, and purpose. For that, we are truly thankful.

We look forward to continuing this partnership and growing together in the years ahead. Thank you for being a consistent and powerful force for good in the lives of our students.

Respectfully,

Kyran Weaver
Head Football Coach
Hillcrest High School
