

I AM A GENTLEMAN INCORPORATED

Tuesday, January 20, 2026

To Whom It May Concern,

I am writing this letter in strong support of Mr. Stringer Harris, a team member of I AM A GENTLEMAN, INC., and the founder of his established mentoring organization, Team String.

During his time as a member of our team, Mr. Harris consistently demonstrated exceptional character, integrity, and an unwavering commitment to the mission of uplifting and developing young men. He was not only a dependable and supportive team member, but also a natural leader—one who led by example and earned the respect of both his peers and the young men we serve.

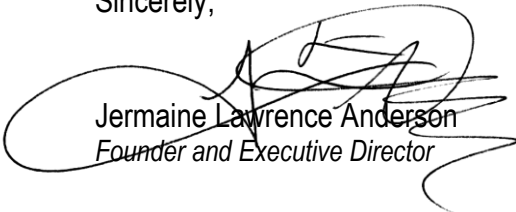

What speaks most powerfully to Mr. Harris's character is that, even after stepping into leadership of his own organization, he has continued to give back to I AM A GENTLEMAN, INC. He remains actively involved with our organization as a mentor, life coach, and speaker, generously offering his time, wisdom, and lived experience to support our programming and participants. His continued service reflects a genuine heart for community and a deep understanding that mentorship is not limited by titles or organizational boundaries.

The young men within our organization look to Mr. Harris for guidance, encouragement, and accountability. His ability to connect with them authentically, challenge them constructively, and inspire them to pursue purpose-driven lives has made a lasting impact. He has a rare gift for meeting young men where they are while helping them envision where they can go.

We are proud of Mr. Harris and fully support his leadership with Team String. His work represents the same values of excellence, service, and integrity that we uphold at I AM A GENTLEMAN, INC., and we are confident that his influence will continue to positively shape lives and communities.

Should you require any additional information, please do not hesitate to reach out.

Sincerely,

Jermaine Lawrence Anderson
Founder and Executive Director
